Narrative: unknown male was ringing all the bells to the house and banging on the doors. when the comp went out into the common hall the male was standing there and claimed he saw on craigslist that there was an apt for rent. the comp told him that was not the case and the guy ran out of the bldg. the comp followed him and asked why he was leaving so quickly and the male could not give a good answer. comp thought he was very suspicious and told the other tenants and the owner about it who all stated they did not post anything on craigslist. he just wanted the info documented at this time.
